Description :

Prsentation de l'diteurThis eBook takes you into the life of "John," a person like you and me or your father, brother, wife, friend or neighbor.A traumatic event disrupts the course of his life, which was previously very quiet and orderly. His existence is no longer smooth sailing, but shaken by a flush tide - cancer, in this case, stomach cancer. Everything changes in the Johns life, perhaps in yours tomorrow But what is happening in

Johns head and his body? What is the meaning of the stomach cancer? Daniel Radoux, Ph.D. explains that cancer has something to tell us. We have to understand the disease, and most importantly, learn how to prevent getting cancer. He describes the different stages of a new disease model, offering another way of understanding the disease. And if you currently have or have had a cancer, Daniel Radoux explains how to get rid of it.
