**Description :** Description du produitParadise Lost remains as challenging and relevant today as it was in the turbulent intellectual and political environment in which it was written. This edition aims to bring the poem as fully alive to a modern reader as it would have been to Miltons contemporaries. It provides a newly edited text of the 1674 edition of the poemthe last of Milton's lifetimewith carefully modernized spelling and punctuation. Marginal glosses define unfamiliar words, and extensive annotations at the foot of the page clarify Miltons syntax and poetics, and explore the range of literary, biblical, and political allusions that point to his major concerns. David Kastans lively Introduction considers the central interpretative issues raised by the poem, demonstrating how thoroughly it engaged the most vitaland contestedissues of Miltons time, and which reveal themselves as no less vital, and perhaps no less contested, today. The edition also includes an essay on the text, a chronology of major events in Miltons life, and a selected bibliography, as well as the first known biography of Milton, written by Edward Phillips in 1694.

Prsentation de l'diteurParadise Lost is an epic poem in blank verse by the 17th-century English poet John Milton (16081674). The first version, published in 1667, consisted of ten books with over ten thousand lines of verse. A second edition followed in 1674, arranged into twelve books (in the manner of Virgil's Aeneid) with minor revisions throughout and a note on the versification. It is considered by critics to be Milton's major work, and helped solidify his reputation as one of the greatest English poets of his time. The poem concerns the Biblical story of the Fall of Man: the temptation of Adam and Eve by the fallen angel Satan and their expulsion from the Garden of Eden. Milton's purpose, stated in Book I, is to "justify the ways of God to men".Prsentation de l'diteurParadise Lost is an epic poem in blank verse by the 17th-century English poet John Milton (16081674). Milton's purpose, stated in Book I, is to "justify the ways of God to men".Description du produitParadise Lost is the greatest epic poem in the English language. In words remarkable for their richness of rhythm and imagery, Milton tells the story of Man's creation, fall and redemption - to "justify the ways of God to men". Milton produced characters which have become embedded in the consciousness of English literature - the frail, human pair, Adam and Eve; the terrible cohort of fallen angels; and Satan, tragic and heroic in his unremitting quest for revenge. The tale unfolds from the aftermath of the great battle between good and evil to the moving departure of Adam and Eve from Eden, with human and eternal auguish intertwined in magnificent resonance. With music by Williams Lawes.
