**Description :** Description du produitAudio CD version of The Gift of Dyslexia (Perigee; ISBN: 039952293X), read by the author. At the age of 38, Ronald D. Davis made a discovery about perception that enabled him to read a book cover to cover -- for the first time. The methods he developed have helped thousands of children and adults around the world to overcome reading, writing, study and attention problems. This audio version explains the concepts of Davis Dyslexia Correction (R) for people who would

rather listen than read.
