Description :

Prsentation de l'diteurA fun and kid-friendly introduction to Chinese!The Tuttle Chinese for Kids Flash

Cards (Simplified Character Edition) is an introductory Chinese language learning tool especially designed to help children from preschool through early elementary level acquire basic words, Chinese characters, phrases, and sentences in Chinese in a fun and easy way. The downloadable flashcards can be used as a learning tool in a classroom setting, at home, or anywhere that learning takes place, and can easily be taped around the room for an interactive way to learn Chinese. A total of 64 words, which all represent a range of sounds in Mandarin Chinese, are organized into thematic categories, including: My Family, Colors, Numbers, Animals, Food, My Body, Clothes, and My Day. All of the words are illustrated; the pictures serve as effective visual aids to help children learn and remember each word's meaning. Words often reflect cultural objects and items and can be studied in any order. Learners may focus on one theme at a time or mix them up for a little more variety.
