## Description :

Prsentation de l'diteurOver 300 offbeat, original writing exercises that develop creative thinking, valuable insights into the writing process and a close encounter with Nardo, the "snake within", out to discourage everyone's productivity. Write Outside the Lines (2012 edition) is the perfect hands-on, holistic workbook to let writers of all ages catapult their creativity and discover their best ideas!Most writing books present classic guidelines without providing ample exercises, or give scores of "prompts" with little technical guidance. None fully addresses lack of confidence and writer's block. Write Outside the Lines leads readers through every phase of the writing experience, with humor and understanding. It's an essential, creative guide students will refer to for years.Prsentation de l'diteurOver 300 offbeat, original writing exercises that develop creative thinking, valuable insights into the writing process and a close encounter with Nardo, the "snake within", out to discourage everyone's productivity. Outside the Lines leads readers through every phase of the writing experience, with humor and understanding. It's an essential, creative guide students will refer to for years. *Biographie de l'auteur* Cathy Altman Nocquet made a career of creative thinking while working in international advertising as a writer and strategist. Her workshops feature offbeat exercises designed to develop creative thinking at all ages. She has taught creative writing students from dozens of schools, led workshops at libraries and for the English Language Schools Association as well as other non-profit educational groups. Ms Altman Nocquet is a SCBWI writing contest judge, and a graduate of Columbia University. Her work has been shortlisted and nominated for Editorial Prizes in national and international writing competitions.
